“ALL ROADS LEAD TO ROBERTS”

Winter

I think we can all agree we are having winter this year!

Ron has worked many hours clearing snow from the streets.

While we would all Love to be able to do more, the Freezing, Melting, more snow cycle has made it very difficult.

Ron has focused on

Intersections for Rut remediation. We will continue to do what we can, but much will have to wait for a long thaw.

Please remember, do not push snow onto the street, or into any alleys.

Keep the water flowing
When we have extreme cold and windy conditions, we recommend leaving a small stream of water running in your sink to prevent freezing your pipes.

Frozen pipes can ruin your day, and break your plumbing.
