Rocky Mountain Power will abide by all applicable ordinances and all reasonable rules, regulations and requirements of the City, and the City may inspect the manner of such work and require remedies as may be reasonably necessary to assure compliance. Notwithstanding the foregoing, Rocky Mountain Power shall not be obligated to obtain a permit to perform emergency repairs.

8.3 All Electric Facilities shall be located so as to cause minimum interference with the Public Ways of the City and shall be constructed, installed, maintained, cleared of vegetation, renovated or replaced in accordance with applicable rules, ordinances and regulations of the City.

SECTION 15. Transfer of Franchise. Rocky Mountain Power shall not transfer or assign any rights under this Franchise to another entity, except transfers and assignments by operation of law, or to affiliates, parents or subsidiaries of Rocky Mountain Power which assume all of Rocky Mountain Power's obligations hereunder, unless the City shall first give its approval in writing, which approval shall not be unreasonably withheld, conditioned or delayed provided, however, Rocky Mountain Power may assign, mortgage, pledge, hypothecate or otherwise transfer without consent its interest in this Franchise to any financing entity, or agent on behalf of any financing entity to whom Rocky Mountain Power (i) has obligations for borrowed money or in respect of guaranties thereof, (ii) has obligations evidenced by bonds, debentures, notes or similar instruments, or (iii) has obligations under or with respect to letters of credit, bankers acceptances and similar facilities or in respect of guaranties thereof.

SECTION 17. Non-Contestability--Breach of Contract.

17.1 Neither the City nor Rocky Mountain Power will take any action for the purpose of securing modification of this Franchise before either the Public Service Commission or any Court of competent jurisdiction; provided, however, that neither shall be precluded from taking any action it deems necessary to resolve difference in interpretation of the Franchise nor shall

Rocky Mountain Power be precluded from seeking relief from the Courts in the event Idaho Public Utility Commission orders, rules or regulations conflict with or make performance under the Franchise illegal.

17.2 In the event Rocky Mountain Power or the City fails to fulfill any of their respective obligations under this Franchise, the City, or Rocky Mountain Power, whichever the case may be will have a breach of contract claim and remedy against the other in addition to any other remedy provided by law, provided that no remedy which would have the effect of amending the specific provisions of this Franchise shall become effective without such action which would be necessary to formally amend the Franchise.

If any section, sentence, paragraph, term or provision hereof is for any reason determined to be illegal, invalid, or superseded by other lawful authority including any state or federal regulatory authority having jurisdiction thereof or unconstitutional, illegal or invalid by any court of common jurisdiction, such portion shall be deemed a separate, distinct, and independent provision and such determination shall have no effect on the validity of any other section, sentence, paragraph, term or provision hereof, all of which will remain in full force and effect for the term of the Franchise or any renewal or renewals thereof.

SECTION 20. Waiver of Jury Trial. To the fullest extent permitted by law, each of the parties hereto waives any right it may have to a trial by jury in respect of litigation directly or indirectly arising out of, under or in connection with this agreement.
